MLS® #1955666

\$250,000

3 Bedroom, 2.00 Bathroom, 2,132 sqft
Single Family on 1 Acres

N/A, Lodi, WI

This place is uhhh...interesting? It has a koi pond, a bomb shelter, and a (not real but huge) missile sticking out of the yard along with some other yard art. It's probably worth a look even if you aren't a serious buyer! With THAT out of the way, this will be a cool and functional home for the right buyer. The yard is amazing - shaded and peaceful, it sits on a hill in a nice neighborhood overlooking the scenic valley. The house is old, but newly renovated and move in ready. In the last 2 years it got a new entryway, roof, windows, boiler, dishwasher, kitchen cabinets, lighting, both bathroom upgrades, paint job, and flooring throughout. Listing agent is seller
