Same family has owned this property since it was built in 1940. Pride of ownership has been maintained throughout its history. Beautiful hardwood floors, the charm of built in cabinets, eat-in kitchen, and relaxing front porch, and convenient back porch . This 1 story home, has a finished upper floor area currently no heat or AC, you could add a heat/ac pump and have an additional bedroom upstairs. In the lower level there is a shower, sink and toilet, they just aren't all in the same "bathroom" area. There are 2 detached garages the back upper garage is accessed via an alley. Home currently has oil heat, however natural gas has been run to the house. In addition, there is a cistern in the basement which is great for watering plants. Property is being Sold As Is.
