na, Baraboo, WI

Talk about a transformation! This home has been beautifully updated throughout. New windows, plumbing, electrical, hvac, insulation, drywall...remodeled down to the studs. What was once a duplex is now a beautiful 3 bedroom, 2 bath single family home. Gorgeous tile shower upstairs and spacious primary bedroom. The open space on the main floor and all the natural light coming in is what dreams are made of. Off of the dining area you have a flex room that works perfectly as a 3 season room, office or a play room. Located within walking distance to shopping, parks and downtown dining/entertainment. Everything is new and very tastefully done! Tons of potential for a man/woman cave in the upstairs of the garage and plenty of parking for your next get together!
